VON PARIAHS (FR)

«Genuine Feelings»

Label: Yotanka

Release Date: 19.02.2016

Web: <http://www.vonpariahs.com/>

Von Pariahs have taken three years to figure out the sound of their second album «Genuine Feelings»: The drums/bass partnership settles a solid base for an authentic wall of sound, lead by two very opposite guitars, which remain truly complementary. One of them crying out a monumental shoegaze storm without taking one break, the other rolling its funk rock rhythmic like a train with no driver. The piano bar riffs and percussions are here to add the last touch of groove to this very unique sound.

The title - «Genuine Feelings» - says it all. The lyrics speak of their lives, their loves, their ups and downs, their rock'n'roll. And when you'll hear Sam's voice flying over this like the great eagle, precise and powerful, singing choruses you will soon want to sing along with him in the streets, you'll finally get the whole picture. You'll feel powerful as hell.
