LFNT (Also - Elephant) is an Indie Rock band formed & lead by Musician & Producer Ran Nir and it is also an advice hidden in an acronym; Live Free Not Troubled. Born in Jerusalem, Ran Nir, is a singer, composer, multi-instrumentalist & producer. Before starting LFNT, Ran was a founding member & the bass player for Asaf Avidan & The Mojos.

After more than five years of tremendous success, with hundreds of performances on big stages around the world, three best selling albums (In Europe & Israel) & a #1hit in 12 countries ("Reckoning Song" \ "One-Day" Remix by Wankelmut) the Mojos decided to stop its activities and Ran went on his independent way. In 2012 Ran formed LFNT with an ensemble of musicians he gathered along the way and released the band first album Tales Of a Drunken Man. The album got many good reviews in Israel and was considered one of the best rock albums to be released in Israel that year. The LFNT sound is a mixture composed of whiskey, notes & stories. From Tel-Aviv to Berlin and wherever he goes, Ran Nir is a true Rock&Roll troubadour. LFNT's Live set is a truly great live performance, with edgy guitars and Keyboard sound, pumping bass & drums and melodic & versatile vocals by Ran & the band members.

The band finished working on their 2nd album Time To Bleed recorded in Israel & Germany by Ran Nir & Fabien Leseure (Sound engineer of "The Brian Johnstown Massacre"), mixed by Johannes Saal at Funkhaus Berlin & Mastered by Brian Lucey (Black Keys, Arctic Monkeys, Beck and more...). The album was released in Israel on May 2015 and will be released in Europe in 2016.
