DISTANCE, LIGHT & SKY

«Casting Nets» (Glitterhouse Records, Release: 21.11.2014)

Classic and sublime songs separate artists like **Distance, Light & Sky** from the mainstream. Their wonderful debut album consists of 10 amazing tracks analogue recorded in the Sono Studios in Prague with legendary producer **Phill Brown** (Talk Talk - «*Spirit of Eden*»). Songwriter **Chris Eckman** knows how to tie on to the best times of **The Walkabouts** but **Distance, Light & Sky** is not a solo-project. Not either a side-project it is truly a band of its own.

Alongside **Chris Eckman** you'll see the adorable female singer and songwriter **Chantal Acda** from the Netherlands/England. **Chantal** is well known for her work with the band the **Isbells** and recorded her last solo album „*Let Your Hands Be My Guide*“ with **Nils Frahm** and **Peter Broderick** („*Exquisite. As soft as snow*“ - MOJO 04/05, „*Starry-eyed beauty*“ - Uncut 08/10). Next to her and **Chris** there's percussionist and composer **Eric Thielemans** of the **EARR Ensemble** who's famous for his work with the legendary **Sun Ra** saxophonist **Marshall Allen**. You'll see that **Distance, Light & Sky** consists of 3 musicians coming from a different background connected by a common musical vision.

Their debut „*Casting Nets*“ is a melancholy but optimistic album made of quiet and calm sounds, multifarious and nuanced, shaped by its composers and their various characters **Eckman, Acda** and **Thielemans** and the unique recording technique of producer **Phill Brown**. It's a true pleasure to listen to the duets of **Chantal Acda** with her female voice and **Chris Eckman** with his sonorous baritone voice. Most fascinating of all is the fact that these 3 totally different artists made the grade to bunch their varied influences into a homogenous and harmonic sound construct called „*Casting Nets*“.

Distance, Light & Sky explore new horizons and they'll help you to escape the drab monotony of everyday life. „*Casting Nets*“ is an unspectacular but truly wonderful album for the cold seasons of the year. We're very happy to welcome this amazing band at **Glitterhouse Records**.
